

Amendments to the Drawings:

Submitted herewith are formal drawings which should be substituted for the informal drawings originally accompanying the application as filed and amended. Please note Figure 8 on Sheet 6 of 22 has been amended to remove cross hatching of several components inadvertently included in the informal drawing as filed, however, the components are not in cross section and the cross hatching is not present in the formal drawing submitted herewith.

Attachment: 22 Replacement Sheets of formal drawings
 22 Annotated Sheets of original, informal drawings

REMARKS/ARGUMENTS

It is respectfully requested that the above noted amendments to the specification be made under the provisions of Rule 312. The requested changes are for the purpose of correcting informalities and/or inconsistencies in the language of the specification. Care was taken not to add any new subject matter. Due to the nature of the changes requested, there will be no additional searching or other significant amount of time required of the Examiner in the review and entering of this Amendment.

Submission of formal drawings are also believed to be permissible under the provisions of Rule 312.

Respectfully submitted,
